Re: Partial Transfer of Permit No. ACT/007/007

Dear Pam:

As we have discussed on several occasions, Sunnyside Cogeneration Associates ("SCA") is currently working on its application for approval of the transfer of a portion of the above-referenced permit. SCA's target date for submission of the application is July 15, 1992. After DOGM's response to SCA's submission, SCA anticipates responding to DOGM's comments as promptly as possible and working with DOGM to achieve final approval of the transfer by October 15, 1992. SCA has hired the firm of Eckhoff, Watson & Preator to work on the application under the direction of Mr. Brent Blauch, whom you met at our meeting last month. We appreciate your cooperation and courtesy to date and look forward to working with you to finalize the transfer. Please call me if you have any questions.

Sincerely,

CALLISTER, DUNCAN & NEBEKER
