Dear Pam,

This letter is in regards to the DOGM's response sent to SCA on June 22, 1993 concerning Permit Condition #6. The letter requested SCA to respond by July 16, 1993. SCA is requesting an extension for this requirement until August 6, 1993 because we have been unable to locate the copy that was delivered to David Pearce at Environmental Power Corporation. We have been in contact with Hugh Klein today and he offered to FAX a copy of DOGM's response letter to our office. We will review DOGM's request and respond as soon as possible. We appreciate your cooperation.

If there are any questions, please do not hesitate to call.

Sincerely,

AEB for
