Refuse and Slurry, ACT/007/035-93H, Folder #3, Carbon County, Utah

Dear Mr. Finlinson:

A proposal for revised hydrology information for the Coarse Refuse Toe Pond was submitted to the Division and received on October 5, 1993. Subsequent to that proposal, a revised version was submitted and received on October 25, 1993.

As per SCA's request, the information submitted on October 5, 1993 is hereby withdrawn and the proposed changes of Amendment 93H are denied. Information submitted on October 25, 1993 will be reviewed as a new permit change request and will be referred to by the Division as permit change #93I.

Sincerely,
