Dear Mr. Pearce:

Re: Temporary Storage Areas, Sunnyside Cogeneration Associates, Sunnyside Refuse and Slurry, ACT/007/035-93B, Folder #3, Carbon County, Utah

The above-noted amendment is denied. Information for this amendment submitted June 25, 1993, August 6, 1993 was reviewed. On August 11, 1993 Ken Wyatt of my staff met with Jessica Smith (EWP) at the Division to outline the deficiencies. The August 19, 1993 response to the deficiencies has been reviewed. Due to the confusion and inconsistencies in that submittal, the runoff and routing analysis was not possible.

Please resubmit the entire amendment in a format to be inserted into the mining and reclamation plan, i.e. incorporated into the plan, not added as a separate appendix. All text, tables, figures and plates must be consistent, comprehensive and correct.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
