Dear Pam:

*ACT/007/035 #2
Copy Pam (all)*

Herewith our fifth discussion draft of the Identification of Interests Section of the SCA permit. I believe we are now 98% complete and commend this draft to you as the basis to commence data input. You will note that we are still looking for employer identification numbers for The Parsons Corporation and Main Sunnyside, Inc. There is a chance that this transmittal will not include the Corporate Structure Chart, which is now being revised. If that is the case, that chart will follow by messenger earlier on Monday so that you can make better sense out of the data.

Thank you for your patience and cooperation.

Sincerely,

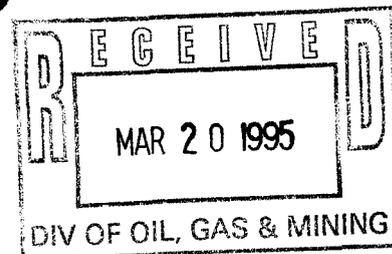

CHRISTENSEN & JENSEN, P. C.

CHAPTER ONE
100 GENERAL CONTENTS

112 IDENTIFICATION OF INTERESTS

112.100 Statement as to Type of Entity

The Applicant, Sunnyside Cogeneration Associates (SCA), is a Utah joint venture between NRG Sunnyside Inc. ("NRG Sunnyside"), and B&W Sunnyside L.P. ("B&W Sunnyside"), a Delaware limited partnership. Information regarding these entities and other parent or controlling corporations appears in the Corporate Structure exhibit attached hereto. The relevant corporate relationships are also described in the sections that follow.

112.210 Information Regarding Applicant

Additional information regarding the applicant may be obtained by contacting:

112.230 Information Regarding Abandoned Mine Land Reclamation Fee:

On July 27, 1994, the Office of Surface Mining found that the waste material located with the SCA Permit Area has no value and is not subject to reclamation fees. Correspondence relating to this matter is included in Appendix 1-1. OSM-1 to be filed.

112.300-330 Information Regarding "Owners" and "Controllers"

The Applicant, SCA, is a Utah joint venture. SCA holds the contracts, property, and permits for the project in its name. Because the joint venture is essentially a partnership between NRG Sunnyside and B&W Sunnyside, SCA has no corporate information of its own. Therefore, the information required under §330 is provided for the joint venture partners, NRG Sunnyside and B&W Sunnyside, and their parent or controlling corporations. The information relevant to B&W Sunnyside traces to the parentage of the McDermott and Parsons entities. The information relevant to NRG Sunnyside traces to the parentage of the Northern States Power entities. Please, therefore, note the following:

112.340-420 Further Information Regarding Owners and Controllers

Neither B&W Sunnyside L.P., nor NRG Sunnyside Inc., nor their owners or controllers, has owned or controlled a coal mining and reclamation operation in the United States within five years preceding the date of this Application, nor do they have interests in any pending coal mine operation permit applications except for the following:

Babcock & Wilcox - Ebensburg Power, Inc. ("BWEP") and ESI Ebensburg, Inc. respectively own one percent (1%) and ninety-nine percent (99%) of Ebensburg Investors Limited Partnership ("Partnership"). The Partnership and BWEP own approximately equal shares of Ebensburg Power Company, a Pennsylvania Partnership, located in Cambria County, Pennsylvania. It is believed, and will be confirmed, that Ebensburg Power Company owns or controls a coal mining and reclamation operation in the State of Pennsylvania.

Savage Industries is presently contracted to SCA to remove coal from the coarse refuse pile. Sunnyside Coal Company operates on the site under another coal mine permit and has entered into an operating agreement with SCA for overlapping permit areas.
