Dear Mr. Eckstein:

I am in receipt of your request for extending NOV N93-13-2-1 and am providing you with a 45 day extension, to June 1, 1995, as per attached. Our agencies objective during this time period is to bring to closure the completeness and adequacy of the information Sunnyside Cogeneration Inc. has submitted to date. Randy Harden, who is the author of the subject NOV, is also coordinating the review efforts on this project. Questions relative to the review status of your permit may be directed to Daron Haddock, Randy Harden or myself.

If you have any questions please call. Thank you for your active participation.

Sincerely,
