Re: Division Order ACT/007/035-96A, and Analysis and Findings for Permit Changes Made Under NOV N93-13-2-1, Sunnyside Cogeneration Associates, ACT/007/035, Folders #2 & #5, Carbon County, Utah

Dear Jim:

Thank you for taking time to meet with me regarding the Sunnyside Cogeneration Associates ("SCA") Project. As we discussed, SCA has been striving to find a way to resolve the issues set forth in the Division Order.

The Division Order requires that SCA make permit changes and submit a revised bond amount by August 1, 1996, which has been extended to September 1, 1996. As we discussed in our meeting, SCA needs an extension to obtain any increase in the bond. Accordingly, SCA requests that the Division extend the deadline contained in the Division Order from September 1, 1996 to September 16, 1996.

Please send me written confirmation of the extension of this deadline as soon as possible.
