Re: Comments from Division of Wildlife Resources and United States Fish and Wildlife Service as a Result of the Permit Renewal, Sunnyside Cogeneration Associates, Sunnyside Refuse and Slurry, ACT/007/035, Folder #2, Carbon County, Utah

Dear Mr. Sallas:

Enclosed please find comments from two agencies that were received as a result of the permit renewal, in which some would require your plan to be corrected. Please review these comments and amend your mining and reclamation plan accordingly within 60 days. For comments not requiring a change, please address your response to the comment.

If you have any questions, please contact me at (801) 538-5268. Thank you.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
