Sunnyside Cogeneration Associates, Sunnyside Refuse/Slurry

Dear Mr. Helfrich,

I have enclosed three clean copies of the amended text (chapter nine pages 900-10 and 900-11) associated with the approved amendment ACT/007/035-99A associated with removal of the previously permitted use of rejected refuse material as road base. Please stamp the pages with the approved incorporation date and mail a copy to Rusty Netz at Sunnyside for insertion into the mining and reclamation plan.

Please call if you have any questions.

Sincerely,
