Re: Replacement of Surety Requested, Sunnyside Cogeneration Associates, Sunnyside Refuse and Slurry, ACT/007/035, Outgoing File

Dear Mr. Burnett:

It has recently come to the attention of the Division that Frontier Insurance Company is no longer an acceptable surety according to the Department of Treasury Circular 570 listing, (see attached), which is one of the Division references for acceptability of sureties. Additionally, the A.M. Best Rating Guide currently rated this company at C+, (see attached). It was A- a year ago. The Division is very concerned about this situation and is requesting that Sunnyside Cogeneration Associates bond, currently issued by Frontier Insurance Company, be replaced.

Therefore, pursuant to the requirements of R645-301-870 please replace surety bond # 35790 in the amount of \$1,900,000 issued by Frontier Insurance Company by July 31, 2000.

If you have any questions, please call me.

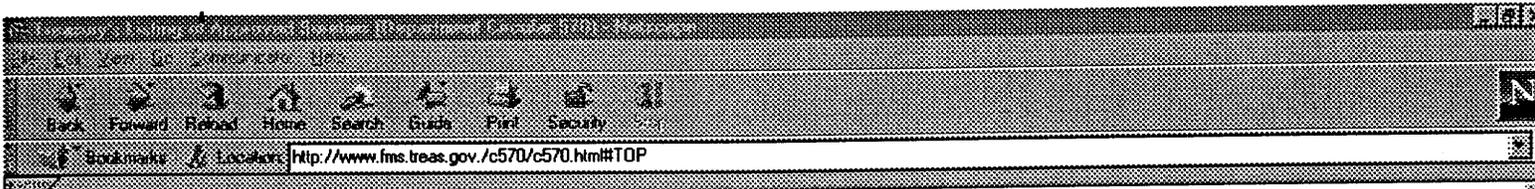

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
