Re: Acknowledgment of Test Burn, Sunnyside Cogeneration Associates, Sunnyside Refuse and Slurry, ACT/007/035, Outgoing File

Dear Mr. Scott:

The Division is in receipt of information about the proposed test burn of approximately 1500 tons of coal tar material to be mixed with waste coal from SCA's facility, and the Experimental Approval Order for this test burn from the Division of Air Quality.

The Division appreciates this notification and this activity may proceed. Please keep the Division inspector apprised of the dates when this activity will occur.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Pamela Grubaugh-Littig', written over a large, stylized flourish.

Pamela Grubaugh-Littig
Permit Supervisor
