Re: Pre-Law Coal Sites Within Permit Boundaries

Dear Mr. Mesch:

This is in response to your letter dated March 8, 2001, concerning pre-law sites located within SCA's permit boundaries. Yes, there are several small pre-law sites within SCA's permit boundaries that have not been re-affected by our operation and are not going to be re-affected in the future.

These areas are listed and described in SCA's Mine Reclamation Plan ACT/007/035, in Chapter 3. Drawings 3-1, 3-1A, 3-1B, 3-1C, 3-1D, and 3-1E, all located in Chapter 3, would be very helpful in identifying these areas.

Should you have any further questions, please contact me or Rusty Netz at (435)888-4476.

Sincerely,

Agent For
