RE: Third Quarter 2001 Inspections

Dear Rusty,

On September 19, 2001, PSOMAS completed the Third Quarter Inspection of SCA's Impoundments, Refuse Pile, and Excess Spoil Disposal Areas. These areas appeared stable, with no structural weakness or hazardous conditions.

I have enclosed the certified inspection reports associated with each facility.

Please feel free to call me at (801) 270-5777 if you have any questions.

Sincerely,

S. Scott Carlson, P.E.
Project Director
