Subject: Re: Request to Review Sign-Off

Thanks for sending over the documents. They appear in order, and with SCA putting up the Treasury Notes the DOGM should be protected. Lowell should sign same. Please call if Q.s.

Kurt

Kurt, Brian Burnett brought in some papers for release of the Frontier bond. This bond was replaced with the Treasury Notes in January 2002. Would you please review and let me know. Thank you. Pam

I faxed them to you.
