Dear Mr. Scott:

The Division received an application to remove the requirements for water monitoring on December 10, 2002. We anticipate completing this review by January 31, 2003. Mike Suflita has been assigned as the Lead on this project.

If you have any questions, please call Mike Suflita at (801) 538-5259 or me at (801) 538-5325.

Sincerely,
