RE: Sunnyside Refuse and Slurry Permit #C/007/0035

Dear Pam,

Please find the enclosed four sets of clean copies of the Sunnyside Refuse and Slurry Permit #C/007/035. This has been prepared in response to your letters dated January 16, 2003 and February 10, 2003. The January 16, 2003 letter regarding C/007/035-AM02A, approved the fire suppression soil. The February 10, 2003 letter regarding C/007/035-AM02B, denied the deletion of the water monitoring points. These changes have been rejected from Chapter 7 of the permit application, and a clean copy of Chapter 7 and Appendix 7-10 with the requested revisions is provided.

Please feel free to call me at (801) 270-5777 if you have any questions.

Sincerely,

S. Scott Carlson, P.E.
Project Director
