Sunnyside, Utah 84539

Subject: Conditional Approval of Processing System Changes, Sunnyside
Cogeneration Associates, Sunnyside Refuse/Slurry, C/007/0035, Task ID
#2426, Outgoing File

Dear Mr. Blakey:

The above-referenced amendment is conditionally approved upon receipt of three clean copies prepared for incorporation. Please submit these copies by March 20, 2006. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. A copy of our Technical Analysis is not enclosed, since this application did not require an update. Please refer to the most recent Technical Analysis for future reference.

If you have any questions, please call me at (801) 538-5268 or Karl R. Houskeeper at (435) 613-1146, ext. 201.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
