Dear Mr. Blakey:

We have received your renewal request information dated January 22, 2007 for the above referenced UPDES permit. At this time, the renewal request appears to be complete and we are processing the permit for renewal. However, should questions arise I will be in contact with your offices to resolve any outstanding issues or concerns. In the near future, I will be in contact to schedule a site visit and compliance evaluation inspection as required.

Also, per your request in the January 22, 2007 letter, Outfall 015 has been inactivated effective February 1, 2007. Please inform our offices when Outfall 004 no longer has the potential to discharge and we can inactivate that one as well, per your request.

If you have any questions, please contact me at (801) 538-6779 or by e-mail at jstudenka@utah.gov.

Sincerely,
