Gentlemen:

I have been instructed to delay my response to Utah until I have consulted with you. Please review the attached permit revision application and provide me with a response. Only one response from BLM would be necessary.

The Division received an application for permit change. We are asking for your determination as to whether or not this action constitutes a Mining Plan Modification. Please provide your determination by May 22, 2008 through ogmcoal@utah.gov.

When responding, please reference Task ID #2953 in the regarding line.
