Ok. Dave came out last week and we walked the site again. We will be re-seeding in November.

Subject: 0070035 Sunnyside Refuse & Slurry Insp Rpt 3232

Hello Rusty,
Attached is the inspection report for my site visit on September 11, 2012.
Based upon the results we observed from this seeding and the Old Coarse Refuse Road seeding, I made some suggestions for future seeding.
Regards,

Priscilla Burton
