Copy PAM

Dear Ms. Grubaugh-Littig:

Cyprus Plateau Coal Company has proposed to drill two coal exploration holes on Federal coal leases, U-0146345 and SL-048442, outside of an existing mine permit area. Both of these drill holes will be completed as water monitoring wells.

Please review this exploration plan (two copies enclosed), and provide any recommended conditions of approval to this office by July 15, 1994.

If you have any questions regarding this matter, contact Tom Rasmussen at the Price River Resource Area (637-4584).

Sincerely,

William Stanger
Acting District Manager
