Blackhawk Exploration Site, EXP/007/038-94A, Folder #3, Carbon County, Utah

Dear Mr. Grimes:

The Division has completed a review of the application received April 22, 1994, for a modification to your Blackhawk Exploration Project which will allow for the reopening of two existing tunnels on the north side of Willow Creek. The amendment is hereby approved. The April 22, 1994 plans are now considered part of the exploration project. Please notify the Division at the time you intend to conduct the tunnel opening project. Thank you for your help during the permitting process.

Sincerely,
