Re: Administrative Completeness Review, Cyprus Plateau Mining Corporation, Willow Creek Mine, PRO/007/038, Folder #3, Carbon County, Utah

Dear Mr. Grimes:

The Division has finished the Administrative Completeness Review for the proposed Willow Creek Mine. The results of the review are enclosed for your information and records. Only those sections that are considered incomplete have been included in the review document. All other sections of your plan are determined to be administratively complete. At this time the application cannot be determined administratively complete because of missing or conflicting information. Please examine the review carefully and respond to the requirements for each section. A determination of Administrative Completeness can only be made by the Division after these issues have been addressed.

If you have any questions, please call Wayne Western, Paul Baker or me.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
