RE: Data Recovery of Portions of Site 42Cb1000 for The Willow Creek Mine Project, Carbon County, Utah

In Reply Please Refer to Case No. 95-0817

*Act 1007/038 #2
Copy From: Darden*

Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received the above referenced report on June 10, 1996. I have not had a chance to finish a technical review of the report, however, I do recommend acceptance of the report for mitigation as **completion of mitigation for purposes of section UCA 9-8-404**. It looks good, and I wanted to discuss with you and Mike Polk the possibility of publishing this in some format, please give me a call.

This information is provided on request to assist DOGM with its Section 106 responsibilities as specified in 36CFR800. If you have questions, please contact me at (801) 533-3555, or Barbara L. Murphy at (801) 533-3563. My computer address on internet is: cehistory.jdykman@email.state.ut.us

As ever,

James L. Dykman
Compliance Archaeologist
