Dear Mr. Demczak,

RE: EXPLORATION PERMIT EXP/007/038

This letter is a request to terminate Exploration Permit EXP/007/038. The exploration areas in the tunnels area, the trailer area and the North side of Willow Creek are now included in the Willow Creek Permit ACT/007/038. The other sites have been reclaimed and are looking good.

The portal in Cordingly Canyon has been reclaimed, however, the tunnel caved in inby the seal prior to us sealing it. We discussed this with AML and they are planning to plug it this season.

If you have any questions please call me at 636-2227 or 472-8895.

Respectfully,

Ben Grimes
Sr. Staff Project Engineer
