Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received the above referenced report on April 12, 1996. After consideration of the material provided for the project, the Utah Preservation recommends a determination of **No Effect** for sites 42CB 1001 and 1027.

Considering site 42CB 1000, I received today the final part of Sagebrush Reports, I will review the material as quickly as I can and return comment.

This information is provided on request to assist DOGM with its Section 106 responsibilities as specified in 36CFR800. If you have questions, please contact me at (801) 533-3555, or Barbara L. Murphy at (801) 533-3563. My computer address on internet is: jdykman@email.state.ut.us
