Re: Willow Creek Mine Project  
Small Reservoir Forms - R69  
Ponds 001 (Map 24) and 002 (Drawing 25)

Dear Mr. Grimes:

I am in receipt of the two above noted small reservoir forms and drawings. Everything appears to be complete and as a result, this information will be filed with your mine plan for future reference.

I will hold the form and drawing for Pond 003 until the information is available with regards to the spillway, which is presently being designed.

Your cooperation in providing this is appreciated. If I can provide any information at any time, please feel free to contact me.

Sincerely,

Mark P. Page  
Regional Engineer
