Dear Mr. Borla:

The Division is in receipt of a submittal for the referenced Division Order from TerraMatrix Dated July 31, 1996. The Division anticipates reviewing this information by August 19, 1996. A copy of this submittal will be retained at the Divisions Salt Lake office for review by other entities.

On a procedural note in the future please allow your company enough time to obtain information from consulting firms and transmit such through your resident agent or company. Enclosed you will find an application for permit change to be filled out and returned to the division at your convenience. If you have any questions please call.

Sincerely,
