Re: Copies of Approved Plan, Willow Creek Mine, Cyprus Plateau Mining Corporation, ACT/007/38, Folder #2, Carbon County, Utah

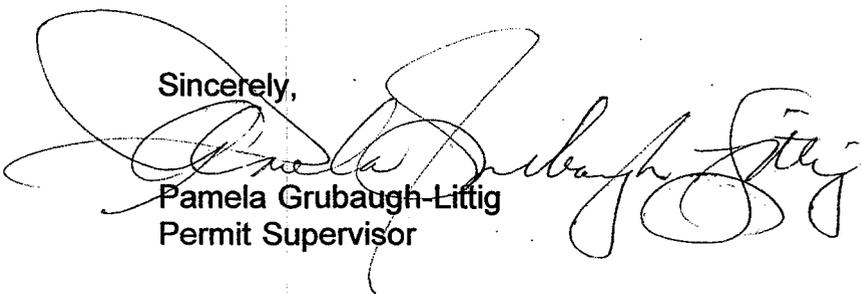

Dear Mr. Grimes:

The conditional permit for the Willow Creek Mine was issued by the Division on April 23, 1996. Since February 21, 1996, the Division received three (3) sets of revisions to the Willow Creek Mine application. The Division needs two more copies of the following submittals to transmit to the Bureau of Land Management and the Office of Surface Mining: March 20, 1996 (Revised Info), April 2, 1996 (Bond Estimates), April 10, 1996 (Two sets of Revised Info), April 11, 1996 (Maps), and April 22, 1996 (Soils Material and Stream Alteration Information).

In order to insure that the two Division copies and your copy are the same, a side-by-side comparison will be done in the near future. At that time, Division staff will stamp each approved page in your set of the approved mining and reclamation plan.

If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
