Re: Comments on Exploration Project, Cyprus Plateau Mining Company, Willow Creek Mine, ACT/007/038-97D, Folder #3, Carbon County, Utah

Dear Mr. Manus:

The Division has completed a review of an exploration project recently proposed for the Willow Creek Mine. It is our understanding that the BLM has the lead on this project and the Division is providing comments and recommendations. The enclosed memo provides information that should be considered when processing the application for exploration.

Thank you for the opportunity to comment. Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
