Re: Drainage Revision, Cyprus Plateau Mining Corp, Willow Creek Mine, ACT/007/038, Folder #2, Carbon County, Utah

Dear Mr. Grimes:

We have received your conceptual designs for drainage revisions. We believe that these are adequate to begin construction. An official amendment must be made to the Willow Creek MRP within one month of the completion of this activity. Please submit this amendment in the form of as-builts with the C1 and C2 forms.

Sincerely,

A handwritten signature in black ink that reads "Daron Haddock".
