Subject: Request for Information

The Division of Oil, Gas, and Mining received your request today for information...I need more clarification as to what you need, dates? you mention Willow Creek and Cyprus Plateau (one is a mine and on is a company?) The Utah Division of Water Quality issues UPDES violations, and Utah Division of Air Quality issues air quality violations, so you need to contact these agencies. Land violations? I'm not sure what you mean....

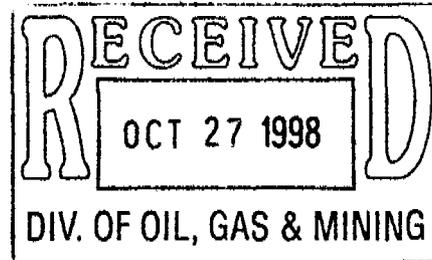

Please let me know with more clarification what you are requesting then I would be happy to help....
