RE: Submission of Clean Copies, Clean Coal Stockpile Culvert and Thickener Pond As-Builts, Plateau Mining Corporation, Willow Creek Mine, ACT/007/038-98E, File #2, Carbon County, Utah

Dear Mr. Helfrich:

Plateau Mining Corporation (PMC) is submitting clean copies of the approved amendment for stamping and subsequent incorporation into the approved permit. Apparently there was an oversight by the Division during the final stamping of this approved amendment, whereby only a portion of the approved amendment was stamped for incorporation, dated December 16, 1998.

The enclosed submittal is being provided following my discussion with Ms. Sharon Falvey and as directed by her. Ms. Falvey has researched this matter and is familiar with what needs to be done to update the permit to reflect the approved amendment in its entirety.

C1 and C2 forms are enclosed even though this is not an amendment, but only a clean copy submission. If you have any questions, please do not hesitate to contact me

Sincerely,

Johnny Pappas
Sr. Environmental Engineer
