RE: Submittal of River Gas Corporation Access Road via Road F - Clean Copies

Dear Ms. Littig,

ACT/007/038
Mining

Plateau Mining Corporation (PMC) is herewith submitting seven clean copies of the permit modification to the Star Point Mine MRP referencing the access road being constructed by River Gas Corporation.

Three of the seven copies do not contain copies of the maps listed on the C-2 Form. The maps submitted with the original amendment are to be incorporated into these three copies. Two copies of the maps are in the Salt Lake UDOGM office, the third copy is at the Price UDOGM office. I have spoken with Shiela Morrison at the Salt Lake office and Bill Malencik at the Price office concerning the incorporation of these maps with the clean copies of the text and appendices into the approved copies of the permit.

Question concerning this submittal can be directed to myself or to Johnny Pappas at (435)472-4741. Thank your for your assistance in the timely review and approval of this amendment.

Sincerely yours,

Vicky S. Miller
