Permitting

RE: Ditch CGD-5, Plateau Mining Corporation, Willow Creek Mine, ACT/007/038- AM00H

Dear Mr. Haddock:

Plateau Mining Corporation (PMC) is herewith submitting two additional clean copies of the amendment associated with the redistribution of undisturbed water runoff previously directed to Ditch CGD-5. As per a request by Mike Sufliita we are submitting the written portions and the associated maps.

Upon checking the insertion of the various pages into the currently approved permit we discovered an error in the pagination of Appendix 3.4D. The approved permit already contained a page 73 which we are not intending to replace, therefore we renumbered our page 73 in this submittal to 72a.

If you have any questions, please contact myself or Johnny Pappas.

Sincerely yours,

Vicky S. Miller
