Re: Table of Contents for Exhibit 11, Plateau Mining Corporation, Willow Creek Mine,  
C007038-AM00A, C [REDACTED]

Dear Mr. Pappas:

On November 16, 2000, the Division conditionally approved the above-referenced amendment upon receipt of clean copies for incorporation into the mining and reclamation plan. We received these copies on December 15, 2000, and sent them to you and appropriate agencies on December 19, 2000. As we were incorporating the amendment into the mining and reclamation plan, we noticed that Exhibit 11 needed a new table of contents. On January 2, 2001, we received copies of this table of contents, and a stamped approved copy is enclosed for incorporation into the Mining and Reclamation Plan. If you have any questions about where to insert this page, please call Paul Baker at 801-538-5261.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
