Dana,

Thanks,

Dennis,

I have uploaded all of the information for Castle Gate, Star Point, and Willow Creek from the pipeline into the database. Reports are attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing samples for B-25 and B-26 at Willow Creek.

Please let me know if you have any questions.

Thank you,

Dana,

The first Qtr water data was input into the system some time ago but I don't think I sent you an email at that time. Could you please run the reports for Willow Creek, Star Point and Castle Gate.

Thanks,
Dennis
