Wayne,

I have attached the requested exhibits although I do not know why exhibit B is of any interest to the Division.

Dennis,

I got this Email from Priscilla. Could you please get us the missing information?

Wayne

Wayne/Pam,

I just noticed that Attach. 6 of Ex. 23 (the Ph III bond release for the main mine facilities, Tsk #2521) does not have the Exhibits included with the Purchase and Sale Agreement. These exhibits include Ex. A legal description of the property to be transferred and Ex. B list of items remaining in the possession of the Permittee. These exhibits should be provided before we send off the complete application to OSM.
