Hello Dennis,

I wanted to drop you a quick note letting you know that all the deficiencies have been addressed in the Phase I bond release application you resubmitted on March 3, 2010 and it is now considered complete.

The site inspection remains scheduled for Tuesday May 4th. I will be notifying all of the stakeholders at the end of this month. We should agree to a time: how about 1PM?

Thanks Dennis, see you in May.

Regards,
April
