Case No. 15-33896 (KRII)

(Jointly Administered)

**INTERIM ORDER, PURSUANT TO SECTIONS 363 AND 364 OF
THE BANKRUPTCY CODE, (A) AUTHORIZING THE DEBTORS
TO MAINTAIN, CONTINUE AND RENEW THEIR SURETY
BOND PROGRAM AND (B) GRANTING CERTAIN RELATED RELIEF**

This matter coming before the Court on the Motion of the Debtors, Pursuant to Sections 363 and 364 of the Bankruptcy Code, for Interim and Final Orders (A) Authorizing the Debtors to Maintain, Continue and Renew Their Surety Bond Program and (B) Granting Certain Related Relief (the "Motion"),¹ filed by the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors"); the Court having reviewed the Motion and the First Day Declarations and having considered the statements of counsel with respect to the Motion at a hearing before the Court (the "Hearing"); and the Court having found that

¹ Capitalized terms not otherwise defined herein shall have the meanings given to them in the Motion.

(a) the Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, (b) this is a core proceeding pursuant to 28 U.S.C. § 157(b), (c) venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409, (d) notice of the Motion and the Hearing was sufficient under the circumstances, (e) the Debtors maintain, continue and renew the Surety Bond Program in the ordinary course of their business, (f) sound business reasons exist that justify authorizing the Debtors to continue the Surety Bond Program, (g) the Debtors' authority to continue the Surety Bond Program is necessary and appropriate to prevent immediate and irreparable harm to their business operations and will serve to preserve and maximize the Debtors' estates for the benefit of stakeholders and, thus, cause exists to permit the Debtors immediately to continue the Surety Bond Program notwithstanding Bankruptcy Rule 6003 and (h) there is good cause to waive the 14-day stay imposed by Bankruptcy Rule 6004(h) to the extent that it is applicable; and the Court having determined that the legal and factual bases set forth in the Motion and the First Day Declarations and at the Hearing establish just cause for the relief granted herein;

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. The Debtors are authorized, but not directed, to maintain, continue and renew the Surety Bond Program without interruption, including, but not limited to, paying all postpetition amounts due pursuant to the Surety Bond Program, renewing or securing new Surety Bonds, posting collateral and honoring Indemnity Agreements; provided that any request for collateral and/or additional collateral for postpetition renewal of Surety Bonds shall be made only in amounts consistent with past practices and in the ordinary course between the Debtors and the Issuers as such practices and ordinary course existed prior to the commencement of these chapter 11 cases; provided further that, to the extent the Debtors seek to provide collateral in connection with obtaining new Surety Bonds or provide additional collateral for the postpetition

renewal of Surety Bonds, the Debtors shall provide such collateral only to the extent permitted under any debtor in possession financing facility.

3. Nothing contained in the Motion or this Interim Order shall be deemed or construed as: (a) an admission as to the validity or priority of any claim against the Debtors; (b) a waiver of the Debtors' or any party in interest's rights to dispute any claim on any grounds; (c) a promise to pay any claim; (d) a request to assume or reject any executory contract or unexpired lease, pursuant to section 365 of the Bankruptcy Code; or (e) a limitation on the authority of the Debtors to conduct their business in the ordinary course without seeking the approval of the Court. Nothing herein renders any claim by any third party based on a prepetition, actual, potential or asserted liability of the Debtors, which claim may or does result in a loss to a surety under the Surety Bond Program, into a postpetition claim or expense of administration.

4. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfers, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any obligations described in the Motion or be deemed to authorize the Debtors to violate any terms of such financing facility.

5. Nothing in this order shall relieve the debtors of any obligations under federal, state, or local police or regulatory laws or under 28 U.S.C. § 959(b).

6. Nothing herein constitutes a waiver, expressly or implicitly, of the rights, claims and defenses of the issuers under applicable bankruptcy or non bankruptcy law, including, without limitation, any of the issuers' rights, claims and defense under: (a) the indemnity

agreements, any surety bonds or any related agreements, contracts or documents; or (b) any letters of credit, all of which are expressly reserved.

7. For the avoidance of doubt, nothing herein shall modify, alter or otherwise affect the rights or remedies of the agent or the lenders under the Debtors' postpetition debtor in possession financing facility or be deemed to authorize the Debtors to violate any terms of such financing facility.

8. A final hearing on the Motion (the "Final Hearing") will be held on September 1, 2015 at 11:00 a.m. (ET). The Debtors shall, within two business days of the date of entry of this Interim Order, serve by United States mail, first-class postage prepaid, copies of the Motion and this Interim Order on (a) the Office of the United States Trustee for the Eastern District of Virginia (the "U.S. Trustee"); (b) the Obligees; (c) the Issuers; (d) the Banks; (e) Davis Polk & Wardwell LLP and McGuireWoods LLP, as co-counsel to Citibank, N.A., as administrative and collateral agent under the Debtors' proposed postpetition secured credit facility, and Citicorp North America, Inc., as administrative and collateral agent under the Debtors' prepetition secured credit facility; (f) Kirkland & Ellis LLP, as counsel to the Second Lien Noteholder Group; (g) the indenture trustees for the Debtors' secured and unsecured notes (and counsel, where known); (h) counsel to General Electric Credit Corporation, as administrative agent under the Debtors' prepetition secured accounts receivable facility; (i) the creditors holding the 50 largest unsecured claims against the Debtors' estates on a consolidated basis; (j) the United Mine Workers of America; and (k) any party that has requested notice pursuant to Bankruptcy Rule 2002 as of the time of service.

9. Any objection to granting the relief requested by the Motion on a permanent basis (an "Objection") shall be filed with the Court and served so as to be received on

or before August 25, 2015 (the "Objection Deadline"), upon: (a) the Office of the United States Trustee for the Eastern District of Virginia, 701 East Broad Street, Suite 4304, Richmond, Virginia 23219 (Attn: Robert Van Arsdale, Esq. and Hugh M. Schaible, Esq. and Damon P. Meyer, Esq.) and (ii) McGuireWoods LLP, Gateway Plaza, 800 East Canal Street, Richmond, Virginia 23219 (Attn: Dion W. Hayes, Esq., Sarah B. Boehm, Esq. and K. Schartz, Esq.) and (ii) 300 North LaSalle, Chicago, Illinois 60654 (Attn: Gregory F. Pesce, Esq.).

10. A reply to any Objection may be filed by no later than the date that is two days prior to the date of the Final Hearing.

11. If no objections are timely filed and served as set forth herein, the Debtors shall, on or after the Objection Deadline, submit to the Court a final order substantially in the form of the Final Order attached to the Motion, which order may be entered with no further notice or opportunity to be heard afforded to any party.

12. Notwithstanding the possible applicability of Bankruptcy Rule 6004(h), this Interim Order shall be immediately effective and enforceable upon its entry.

13. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived to the extent necessary.

14. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Interim Order.

15. This Court shall retain exclusive jurisdiction over any and all matters arising from or related to the implementation or interpretation of this Interim Order.

Chapter 11
Case No. 15- ____ ()
(Joint Administration Requested)

**MOTION OF THE DEBTORS, PURSUANT TO SECTIONS 363
AND 364 OF THE BANKRUPTCY CODE, FOR INTERIM AND
FINAL ORDERS (A) AUTHORIZING THE DEBTORS TO
MAINTAIN, CONTINUE AND RENEW THEIR SURETY BOND
PROGRAM AND (B) GRANTING CERTAIN RELATED RELIEF**

Alpha Natural Resources, Inc. ("ANR") and certain of its direct and indirect subsidiaries, as debtors and debtors in possession (collectively, the "Debtors"), respectfully represent as follows:

Background

1. On the date hereof (the "Petition Date"), the Debtors commenced their reorganization cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). By a motion filed on the Petition Date, the Debtors have requested that their chapter 11 cases be consolidated for procedural purposes only

and administered jointly. The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. A comprehensive description of the Debtors' businesses and operations, capital structure and the events leading to the commencement of these chapter 11 cases can be found in the declarations of (a) Kevin S. Crutchfield, Chief Executive Officer and Chairman of the Board of Directors of ANR, and (b) Philip J. Cavatoni, Executive Vice President and Chief Financial and Strategy Officer of ANR in support of the Debtors' "first day" pleadings (together, the "First Day Declarations"), which were filed contemporaneously herewith and which are incorporated by reference.

Jurisdiction

3. This Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

4. Pursuant to sections 363 and 364 of the Bankruptcy Code, the Debtors hereby seek entry of an interim order (the "Interim Order"), substantially in the form attached hereto as Exhibit A, and a final order (the "Final Order"), substantially in the form attached hereto as Exhibit B, confirming the Debtors' authority, but not direction to: (a) maintain, continue and renew their Surety Bond Program (as defined below) without interruption and in accordance with the same practices and procedures employed before the Petition Date, including, but not limited to, the maintenance of collateral, and (b) perform all other actions necessary to implement the relief granted. The Debtors further request that each order be enforceable immediately upon entry.

5. Any interruption, lapse or termination of the Debtors' Surety Bond Program could severely, immediately and irreparably harm the Debtors' operations and, consequently, their prospects for a successful reorganization. Therefore, by this Motion, the Debtors seek immediate authority to maintain, continue and renew their Surety Bond Program on an interim basis to prevent irreparable harm to their business during the first 21 days of these chapter 11 cases. By this Motion, the Debtors also seek authority, upon entry of the Final Order, to maintain, continue and renew their Surety Bond Program throughout the Debtors' chapter 11 cases, which the Debtors believe is in the best interests of their estates and stakeholders for the reasons set forth below.

Facts Relevant to this Motion

Background Regarding the Debtors' Surety Bond Program

6. The Debtors, in the ordinary course of their business and on a regular basis, are required to provide surety bonds (collectively, the "Surety Bonds") to various third parties to secure the Debtors' payment or performance of certain obligations (the "Surety Bond Program"). In particular, the Debtors commonly (although not exclusively) provide Surety Bonds to governmental units or other public agencies pursuant to statutory requirements. The Debtors provide Surety Bonds to secure obligations to various entities, including municipalities, state and federal regulatory agencies, customers and suppliers. Attached as Exhibit C hereto is a schedule identifying, with respect to each of the Surety Bonds, (a) the obligee (collectively, the "Obligees"), (b) the issuer (collectively, the "Issuers"), (c) the identification number for the Surety Bond, (d) the purpose of the Surety Bond and (e) the amount of the Surety Bond.¹

¹ The schedule attached hereto as Exhibit C is intended to be exhaustive but may omit certain Surety Bonds. The Debtors intend that the relief requested herein apply to all of their Surety Bonds and reserve the right to supplement the schedule accordingly.

7. It is critical to the Debtors' continued operations that they maintain the Surety Bond Program. The failure to provide, maintain and timely replace the Surety Bonds may jeopardize the Debtors' business by causing them to be in violation of applicable law, preventing them from continuing mining operations and disrupting the provision of benefits to their employees, among other things.

8. As of June 30, 2015, the Debtors had approximately \$1.04 billion in outstanding Surety Bonds. Approximately \$1.01 billion in aggregate amount of Surety Bonds has been provided by the Debtors to various governmental authorities and agencies to secure certain reclamation obligations of the Debtors in relation to their mining operations, especially those operations that are surface mining operations (collectively, the "Reclamation Bonds"). Other categories of Surety Bonds issued on behalf of the Debtors include court bonds, customs bonds, financial guarantee bonds, license permit bonds, oil and gas bonds, performance bonds, workers' compensation bonds and wage bonds.

9. As of June 30, 2015, the Debtors are authorized under applicable law to self-bond with respect to approximately \$674 million in aggregate amount of Reclamation Bonds (collectively, the "Self-Bonded Reclamation Bonds").² The Debtors pay premiums for the Surety Bonds other than the Self-Bonded Reclamation Bonds, which premiums generally are determined annually and are paid by the Debtors to the Issuers of the Surety Bonds at inception

² On May 29, 2015, the Debtors announced that they had been notified by the Wyoming Department of Environmental Quality's Land Quality Division (the "LQD") that they no longer qualify under the self-bonding program in Wyoming. If the LQD's determination, which is subject to further proceedings and appeal, were to become final, the LQD might contend that the Debtors are required to replace an estimated \$411 million in Self-Bonded Reclamation Bonds with Reclamation Bonds issued by a third party or other acceptable collateral within 90 days of their receipt of the LQD's notification. The Debtors have appealed the LQD's initial determination and requested further discussions with LQD. The Debtors believe, in any event, that, absent a consensual resolution, enforcement of any final determination is barred under certain provisions of the Bankruptcy Code. To the extent it becomes necessary for the Debtors to replace some portion of the Wyoming Self-Bonded Reclamation Bonds to maintain their operations in the State of Wyoming, the Debtors will seek approval of such replacement by separate motion.

and annually thereafter. The Debtors currently pay approximately \$4.16 million in annual premiums on account of the Surety Bonds.

10. To secure their obligations under the Surety Bonds, the Debtors have posted collateral with the applicable Issuers, typically ranging in value from 25% to 50% of the face amounts of the bonds (although certain issuers have required that the Debtors post no collateral at all or as much as 86% of the face amount of the bonds). In the aggregate, the Debtors have provided collateral in an amount of approximately \$131 million in support of their Surety Bonds, of which amount approximately \$128 million is provided in the form of letters of credit and approximately \$3 million in the form of cash.

11. In addition, the Debtors are party to a number of agreements (collectively, the "Indemnity Agreements"), pursuant to which the Debtors are required to indemnify the applicable Issuer as a precondition to the issuance of the bond. Pursuant to the Indemnity Agreements, the Debtors have agreed to indemnify the Issuer and certain related parties from any loss, cost, damage or expense they may incur by reason of their execution of any Surety Bonds on behalf of the Debtors. By this Motion, the Debtors seek the authority, but not the obligation, to perform all actions necessary or appropriate to honor the Indemnity Agreements.

12. It is essential to the Debtors' operations that they maintain their Surety Bond Program on an ongoing and uninterrupted basis. The non-payment of obligations under the Surety Bond Program could result in one or more of the Issuers attempting to terminate, declining to renew or refusing to enter into Surety Bonds with the Debtors in the future. If any Surety Bonds lapse without renewal, or if the Debtors are unable to obtain new Surety Bonds for certain purposes, the Debtors could default on various obligations, which could severely disrupt the Debtors' operations and impair the Debtors' prospects for a successful reorganization to the

detriment of all parties in interest. Moreover, any failure by the Debtors to maintain their Surety Bonds required to secure the Debtors' reclamation obligations or pursuant to their workers' compensation insurance programs, for example, may cause the Debtors to default on their obligations to the applicable authorities and could contravene the provisions of federal or state law, including, in particular, the Surface Mining Control and Reclamation Act. Furthermore, the inability to secure a Surety Bond may require the Debtors to purchase insurance coverage at greater expense to the Debtors' estates.

13. To provide the financial assurances to third parties that are required for the Debtors to continue business operations during these chapter 11 cases, the Debtors must maintain their existing Surety Bond Program and may need additional bonding capacity not currently provided under the Surety Bond Program. Accordingly, to operate their business, the Debtors must maintain their Surety Bond Program, including by renewing or replacing, as necessary, existing Surety Bonds and maintain collateral arrangements similar to those currently in place.

Argument

Surety Bond Program Transactions Are Within the Ordinary Course of Business

14. Section 363 of the Bankruptcy Code provides, in relevant part, that a debtor in possession "may enter into transactions ... in the ordinary course of business without notice or a hearing, and may use property of the estate in the ordinary course of business without notice or a hearing." 11 U.S.C. § 363(c)(1). Section 363 is designed to serve the "'overriding goal of maximizing the value of the estate' by striking the optimal balance between the interests of the debtor and the creditors." Habinger, Inc. v. Metropolitan Cosmetic and Reconstructive Surgical Clinic, P.A., 124 B.R. 784, 786 (Bankr. D. Minn. 1990) (quoting United States ex rel. Harrison v. Estate of Deutscher, 115 B.R. 592 (Bankr. M.D. Tenn. 1990)). "The framework of section 363 is designed to allow a trustee (or debtor-in-possession) the flexibility to engage in

ordinary transactions without unnecessary creditor and bankruptcy court oversight, while protecting creditors by giving them an opportunity to be heard when transactions are not ordinary." In re Roth Am., Inc., 975 F.2d 949, 952 (3d Cir. 1992); see also Habinger, 124 B.R. at 786 ("The 'ordinary course of business' standard is intended to allow a debtor the flexibility it needs to run its business and respond quickly to changes in the business climate.").

15. The Bankruptcy Code does not define "ordinary course of business." However, "through a synthesis of case law, courts have developed a workable analytical framework for determining whether an activity is within the debtor's 'ordinary course of business.'" In re Husting Land & Dev., Inc., 255 B.R. 772, 778 (Bankr. D. Utah 2000), aff'd, 274 B.R. 906 (D. Utah 2002); Comm. of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp. (In re Johns-Manville Corp.), 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986), rev'd on other grounds, 801 F.2d 60 (2d Cir. 1986). "Courts have developed two commonly used joint tests for determining whether a transaction is in the ordinary course of business: (1) the horizontal dimension test; and (2) the vertical dimension (also known as the reasonable expectations) test." 3 Collier on Bankruptcy ¶ 363.03 (Alan N. Resnick & Henry J. Sommer eds., 16th ed. 2015); see also Burlington N. RR Co. v. Dant & Russell, Inc. (In re Dant & Russell, Inc.), 853 F.2d 700, 704 (9th Cir. 1988) ("Two tests emerge[d] to aid in assessing whether [postpetition transactions are] executed in the ordinary course of business: (1) vertical dimension or creditor's expectation test and (2) horizontal dimension test.").

16. The horizontal dimension test involves a determination of "whether the postpetition transaction is of a type that other similar businesses would engage in as ordinary business." Dant & Russell, 853 F.2d at 704 (citing Johnston v. First Street Cos. (In re Waterfront Cos.), 56 B.R. 31, 34-35 (D. Minn. 1985) and Johns-Manville, 60 B.R. at 618).

Under the horizontal test, "[t]he transaction need not have been common; it need only be ordinary. A transaction can be ordinary and still occur only occasionally." Dant & Russell, 853 F.2d at 704 (quoting Waterfront, 56 B.R. at 34-35).

17. "The touchstone of 'ordinariness'" under the vertical, or reasonable expectations, test "is the interested parties' reasonable expectations of what transactions the debtor in possession is likely to enter in the course of its business. So long as the transactions conducted are consistent with these expectations, creditors have no right to notice and hearing." Armstrong World Indus., Inc. v. James A. Phillips, Inc. (In re James A. Phillips, Inc.), 29 B.R. 391, 394 (Bankr. S.D.N.Y. 1983); see also Med. Malpractice Ins. Ass'n v. Hirsch (In re Lavigne), 114 F.3d 379, 384 (2d Cir. 1997) (stating that "ordinary course of business" is intended to "embrace the reasonable expectations of interested parties of the nature of transactions that the debtor would likely enter in the course of its normal, daily business") (quoting Watford v. S. Cent. Farm Credit, ACA (In re Watford), 159 B.R. 597, 599 (M.D. Ga. 1993)).

18. "A fundamental characteristic of an 'ordinary' post-petition business transaction is its similarity to a pre-petition business practice." In re Commercial Mortg. & Fin., Co., 414 B.R. 389, 393-94 (Bankr. N.D. Ill. 2009) (quoting Martino v. First Nat'l Bank of Harvey (In re Garofalo's Finer Foods, Inc.), 186 B.R. 414, 424-25 (N.D. Ill. 1995)). The size, nature and type of business, and the size and nature of the transactions in question, are all relevant to determining whether the transactions are ordinary. E.g., Harrison, 115 B.R. at 598; Johns-Manville, 60 B.R. at 617.

19. Like other coal companies, the Debtors regularly continue and renew bonds as part of their Surety Bond Program in the ordinary course of their business. Indeed,

such transactions are often mandated for coal companies under state and federal law. Accordingly, under the horizontal test, the Debtors believe that they may pay all postpetition amounts due pursuant to the Surety Bond Program and renew or obtain new Surety Bonds without notice and a hearing, as such actions are in the ordinary course of the Debtors' businesses.

20. Moreover, under the vertical, or reasonable expectations, test, the Surety Bond transactions that the Debtors anticipate entering into under the Surety Bond Program following the Petition Date will be similar to those that the Debtors routinely entered into prior to the Petition Date. Because the Surety Bond Program satisfies both the horizontal and vertical tests, the Debtors believe that they may pay all postpetition amounts due pursuant to the Surety Bond Program and may maintain, renew or obtain new Surety Bonds without notice and a hearing, as such actions are in the ordinary course of the Debtors' business.

21. Although the Debtors believe that they may continue the Surety Bond Program in the ordinary course of their business, they nevertheless request that the Court enter an order expressly authorizing them to do so to: (a) eliminate any doubt on the part of any party, including Issuers, Obligees, third parties and financial institutions; and (b) encourage Issuers not to attempt to terminate or decline to renew the Surety Bonds, or refuse to enter into Surety Bonds with the Debtors in the future.

The Surety Bond Program Is in the Best Interests of the Debtors' Estates

22. Alternatively, if the Court determines that the Surety Bond Program is not within the ordinary course of the Debtors' businesses, then the Debtors request that the Court enter an order pursuant to section 363(b)(1) of the Bankruptcy Code authorizing the Debtors to continue the Surety Bond Program in the best interests of the Debtors' estates.

23. Section 363(b)(1) of the Bankruptcy Code provides, in relevant part, that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course

of business, property of the estate." 11 U.S.C. § 363(b)(1). A debtor's decisions to use, sell or lease assets outside the ordinary course of business must be based upon a sound business purpose. See Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063, 1070-71 (2d Cir. 1983) (requiring a "good business reason" to approve a sale pursuant to section 363(b)); In re W.A. Mallory Co., 214 B.R. 834, 836 (Bankr. E.D. Va. 1997) ("This Court follows the 'sound business purpose' test when examining § 363(b) sales.") (citing In re WBQ P'ship, 189 B.R. 97, 102 (Bankr. E.D. Va. 1995)); see also In re Chateaugay Corp., 973 F.2d 141, 143 (2d Cir. 1992) (holding that the use, sale or lease of property of the estate is justified if it is supported by a good business reason); In re Ionosphere Clubs, Inc., 100 B.R. 670, 675 (Bankr. S.D.N.Y. 1989) (noting that the standard for determining a motion pursuant to section 363(b) of the Bankruptcy Code is "a good business reason").

24. Courts in this and other districts have consistently and appropriately been reluctant to interfere with corporate decisions "unless it is shown that the bankrupt's decision was one taken in bad faith or in gross abuse of the bankrupt's retained business discretion." Lubrizol Enters., Inc. v. Richmond Metal Finishers, Inc., 756 F.2d 1043, 1047 (4th Cir. 1985); see also Official Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.), 147 B.R. 650, 656 (S.D.N.Y. 1992), appeal dismissed, 3 F.3d 49 (2d Cir. 1993) (internal quotations omitted).

25. Because sound business reasons exist for the Debtors to maintain the Surety Bond Program, as described above, the Debtors request that the Court authorize them to pay all postpetition amounts due pursuant to the Surety Bond Program and maintain, renew, replace and obtain new Surety Bonds pursuant to section 363(b)(1) of the Bankruptcy Code (to the extent the Court determines that such bonds are not in the ordinary course of the Debtors'

businesses). For the reasons discussed above, the Debtors submit that the continuation of the Surety Bond Program and the payment of postpetition obligations arising under the Surety Bond Program are essential to preserving the Debtors' businesses and preserving the value of the Debtors' estates for all creditors.

The Surety Bond Program May Be an Authorized Secured Extension of Credit

26. Section 364(c) of the Bankruptcy Code permits a debtor unable to obtain unsecured credit in the ordinary course of business under section 364(a) of the Bankruptcy Code to obtain credit (a) with priority over any or all administrative expenses specified in sections 503(b) or 507(b) of the Bankruptcy Code, (b) secured by a lien on property of the estate that is not otherwise subject to a lien or (c) secured by a junior lien on property of the estate that is subject to a lien. To satisfy the requirements of section 364(c) of the Bankruptcy Code, a debtor need only demonstrate "by a good faith effort that credit was not available" to the debtor on an unsecured or administrative expense basis. Bray v. Shenandoah Fed. Sav. & Loan Assoc. (In re Snowshoe Co.), 789 F.2d 1085, 1088 (4th Cir. 1986) (affirming the lower court's approval of a loan made to the debtor under sections 364(c) and (d) of the Bankruptcy Code). Furthermore, the Bankruptcy Code "imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable." Id.; see also In re Sky Valley, Inc., 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988) (finding that "it would be unrealistic and unnecessary" to require a debtor to conduct "an exhaustive search for financing" in cases where few lenders would be willing to extend credit), aff'd sub nom. Anchor Sav. Bank FSB v. Sky Valley, Inc., 99 B.R. 117, 120 n.4 (N.D. Ga. 1989).

27. As set forth above, the Debtors believe that it would be difficult to obtain new bonding capacity on an unsecured basis at this time. To the extent the continuation of the Debtors' Surety Bond Program is deemed a secured extension of credit, the Debtors request

authority to renew, replace or secure new Surety Bonds pursuant to section 364(c) of the Bankruptcy Code. The Debtors further submit that, pursuant to section 364(e) of the Bankruptcy Code, any reversal or modification on appeal of this authorization to obtain credit under section 364 of the Bankruptcy Code should not affect the validity of the debt incurred or any priority of a lien granted.

28. Relief similar to the relief requested herein has routinely been granted by courts in this and other districts in chapter 11 cases involving coal companies. See, e.g., In re Walter Energy, Inc., No. 15-02741 (Bankr. N.D. Ala. July 16, 2015) (interim order authorizing debtors to maintain and renew their surety bond program); In re Patriot Coal Corp., No. 15-32450 (Bankr. E.D. Va. May 14, 2015) (same); In re James River Coal Co., No. 14-31848 (Bankr. E.D. Va. April 10 and May 7, 2014) (interim and final orders authorizing debtors to maintain and renew their surety bond program); In re Patriot Coal Corp., No. 12-12900 (SCC) (Bankr. S.D.N.Y. July 16 and Aug. 2, 2012) (same).³

Requests for Immediate Relief and Waiver of Bankruptcy Rule 6004(h) Are Warranted

29. Pursuant to Rules 6003(b) and 6004(h) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), the Debtors seek the entry of the Interim Order granting the relief requested by this Motion on an interim basis and, to the extent it applies, a waiver of any stay of the effectiveness of such Interim Order. The Debtors further seek, to the extent it applies, a waiver of any stay of the effectiveness of the Final Order.

30. Bankruptcy Rule 6003(b) provides, in relevant part, that "[e]xcept to the extent that relief is necessary to avoid immediate and irreparable harm, the court shall not,

³ The unreported orders listed in the text above are not attached to this Motion. Copies of these orders will be made available to the Court and other parties upon request made to counsel to the Debtors.

within 21 days after the filing of the petition, issue an order granting ... a motion to use, sell, lease or otherwise incur an obligation regarding property of the estate including a motion to pay all or part of a claim that arose before the filing of the petition." Fed. R. Bankr. P. 6003(b). In other words, where the failure to grant any such requested relief would result in immediate and irreparable harm to the Debtors' estates, the Court may authorize the relief prior to the twenty-second day following the Petition Date. Bankruptcy Rule 6004(h) provides that "[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise."

31. As set forth above and in the First Day Declarations, authorizing the Debtors to continue their Surety Bond Program and granting the other relief requested herein is integral to the Debtors' business operations and necessary to maximize the value of the Debtors' estates, and any failure to do so in the ordinary course of business during the first 21 days of their chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture. Accordingly, the Debtors submit that ample cause exists to justify (a) the immediate entry of an order granting the relief sought herein and (b) a waiver of the 14-day stay imposed by Bankruptcy Rule 6004(h), to the extent that it applies.

Reservation of Rights

32. Nothing contained herein or in the proposed Interim Order and Final Order is intended or should be construed as: (a) an admission as to the validity or priority of any claim against the Debtors; (b) a waiver of the Debtors' or any party in interest's rights to dispute any claim on any grounds; (c) a promise to pay any claim; (d) an implication or admission that any particular claim is a claim covered by any Insurance Policy; or (e) a request to assume or reject any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

The Debtors expressly reserve the right to contest any claims related to the Surety Bond Program under applicable bankruptcy and non-bankruptcy law.

Waiver of Separate Memorandum of Points and Authorities

33. The Debtors respectfully request that the Court regard any argument and citations set forth herein as a written memorandum of facts, reasons and authorities that has been combined with the relief requested herein, as permitted by Rule 9013-1(G)(1) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Eastern District of Virginia (the "Local Bankruptcy Rules"). Alternatively, the Debtors respectfully request that the Court waive any requirement set forth in Local Bankruptcy Rule 9013-1(G)(1) that this Motion be accompanied by such a written memorandum.

Notice

34. Notice of this Motion has been given to: (a) the Office of the United States Trustee for the Eastern District of Virginia; (b) Davis Polk & Wardwell LLP and McGuireWoods LLP, as co-counsel to Citibank, N.A., as administrative and collateral agent under the Debtors' proposed postpetition secured credit facility, and Citicorp North America, Inc., as administrative and collateral agent under the Debtors' prepetition secured credit facility; (c) Kirkland & Ellis LLP, as counsel to the Second Lien Noteholder Group; (d) the indenture trustees for the Debtors' secured and unsecured notes (and counsel, where known); (e) counsel to General Electric Credit Corporation, as administrative agent under the Debtors' prepetition secured accounts receivable facility; (f) the creditors holding the 50 largest unsecured claims against the Debtors' estates on a consolidated basis; (g) the United Mine Workers of America; (h) the Obligees; (i) the Issuers; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002 as of the time of service. In light of the nature of the relief requested, the Debtors submit that no further notice is necessary.

No Prior Request

35. No prior request for the relief sought in this Motion has been made to this or any other Court in connection with these chapter 11 cases.

WHEREFORE, the Debtors respectfully request that the Court: (i) enter the Interim Order, substantially in the form attached hereto as Exhibit A, and the Final Order, substantially in the form attached hereto as Exhibit B, granting the relief requested herein; and (ii) grant such other and further relief to the Debtors as the Court may deem proper.

BOND PROGRAM AND (B) GRANTING CERTAIN RELATED RELIEF**

This matter coming before the Court on the Motion of the Debtors, Pursuant to Sections 363 and 364 of the Bankruptcy Code, for Interim and Final Orders (A) Authorizing the Debtors to Maintain, Continue and Renew Their Surety Bond Program and (B) Granting Certain Related Relief (the "Motion"),¹ filed by the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors"); the Court having reviewed the Motion and the First Day Declarations and having considered the statements of counsel with respect to the Motion at a hearing before the Court (the "Hearing"); and the Court having found that

¹ Capitalized terms not otherwise defined herein shall have the meanings given to them in the Motion.

(a) the Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, (b) this is a core proceeding pursuant to 28 U.S.C. § 157(b), (c) venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409, (d) notice of the Motion and the Hearing was sufficient under the circumstances, (e) the Debtors maintain, continue and renew the Surety Bond Program in the ordinary course of their business, (f) sound business reasons exist that justify authorizing the Debtors to continue the Surety Bond Program, (g) the Debtors' authority to continue the Surety Bond Program is necessary and appropriate to prevent immediate and irreparable harm to their business operations and will serve to preserve and maximize the Debtors' estates for the benefit of stakeholders and, thus, cause exists to permit the Debtors immediately to continue the Surety Bond Program notwithstanding Bankruptcy Rule 6003 and (h) there is good cause to waive the 14-day stay imposed by Bankruptcy Rule 6004(h) to the extent that it is applicable; and the Court having determined that the legal and factual bases set forth in the Motion and the First Day Declarations and at the Hearing establish just cause for the relief granted herein;

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. The Debtors are authorized, but not directed, to maintain, continue and renew the Surety Bond Program without interruption, including, but not limited to, paying all postpetition amounts due pursuant to the Surety Bond Program, renewing or securing new Surety Bonds, posting collateral and honoring Indemnity Agreements; provided that any request for collateral and/or additional collateral for postpetition renewal of Surety Bonds shall be made only in amounts consistent with past practices and in the ordinary course between the Debtors and the Issuers as such practices and ordinary course existed prior to the commencement of these chapter 11 cases; provided further that, to the extent the Debtors seek to provide collateral in connection with obtaining new Surety Bonds or provide additional collateral for the postpetition

renewal of Surety Bonds, the Debtors shall provide such collateral only to the extent permitted under any debtor in possession financing facility.

3. Nothing contained in the Motion or this Interim Order shall be deemed or construed as: (a) an admission as to the validity or priority of any claim against the Debtors; (b) a waiver of the Debtors' or any party in interest's rights to dispute any claim on any grounds; (c) a promise to pay any claim; (d) a request to assume or reject any executory contract or unexpired lease, pursuant to section 365 of the Bankruptcy Code; or (e) a limitation on the authority of the Debtors to conduct their business in the ordinary course without seeking the approval of the Court. Nothing herein renders any claim by any third party based on a prepetition, actual, potential or asserted liability of the Debtors, which claim may or does result in a loss to a surety under the Surety Bond Program, into a postpetition claim or expense of administration.

4. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfers, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any obligations described in the Motion or be deemed to authorize the Debtors to violate any terms of such financing facility.

5. For the avoidance of doubt, nothing herein shall modify, alter or otherwise affect the rights or remedies of the agent or the lenders under the Debtors' postpetition debtor in possession financing facility or be deemed to authorize the Debtors to violate any terms of such financing facility.

6. A final hearing on the Motion (the "Final Hearing") will be held on [____], 2015 at __: __.m. (ET). The Debtors shall, within two business days of the date

of entry of this Interim Order, serve by United States mail, first-class postage prepaid, copies of the Motion and this Interim Order on (a) the Office of the United States Trustee for the Eastern District of Virginia (the "U.S. Trustee"); (b) the Obligees; (c) the Issuers; (d) the Banks; (e) Davis Polk & Wardwell LLP and McGuireWoods LLP, as co-counsel to Citibank, N.A., as administrative and collateral agent under the Debtors' proposed postpetition secured credit facility, and Citicorp North America, Inc., as administrative and collateral agent under the Debtors' prepetition secured credit facility; (f) Kirkland & Ellis LLP, as counsel to the Second Lien Noteholder Group; (g) the indenture trustees for the Debtors' secured and unsecured notes (and counsel, where known); (h) counsel to General Electric Credit Corporation, as administrative agent under the Debtors' prepetition secured accounts receivable facility; (i) the creditors holding the 50 largest unsecured claims against the Debtors' estates on a consolidated basis; (j) the United Mine Workers of America; and (k) any party that has requested notice pursuant to Bankruptcy Rule 2002 as of the time of service.

7. Any objection to granting the relief requested by the Motion on a permanent basis (an "Objection") shall be filed with the Court and served so as to be received by 4:00 p.m. (ET), on or before _____, 2015 (the "Objection Deadline"), upon:

Schartz, Esq.) and (ii) 300 North LaSalle, Chicago, Illinois 60654 (Attn: Gregory F. Pesce, Esq.).

8. A reply to any Objection may be filed by no later than 4:00 p.m. on the date that is two days prior to the date of the Final Hearing.

9. If no objections are timely filed and served as set forth herein, the Debtors shall, on or after the Objection Deadline, submit to the Court a final order substantially in the form of the Final Order attached to the Motion, which order may be entered with no further notice or opportunity to be heard afforded to any party.

10. Notwithstanding the possible applicability of Bankruptcy Rule 6004(h), this Interim Order shall be immediately effective and enforceable upon its entry.
