Subject: Willow Creek Mine Phase III Bond Release

Dear Mr. Haddock:

The Utah Division of Wildlife Resources (UDWR) attended the Phase III Bond Release for the Willow Creek Mine on August 3, 2015. Following the site visit and after reviewing vegetation data collected by Mt. Nebo Scientific, it is of our opinion that the Phase III bond be released for the Willow Creek Mine.

Thank you for the opportunity to provide recommendations for this proposal. If you have any questions, please contact Makeda Hanson in our Price office at (435)-630-0805 or makedatrujillo@utah.gov.

Sincerely,

Christopher K. Wood
