RE: Resubmittal of 3 copies of an addition to Appendix 3-1 - Vegetation Sampling Report and Plate (Mt. Nebo Scientific) and Letter from George S. Cook. Soldier Creek Coal Company, PRO 007/039

Dear Susan,

Pursuant to your request, we are submitting three copies of the Vegetation Sampling Report and Plate (Mt. Nebo Scientific) and a letter from George S. Cook. These items need to be inserted into Appendix 3-1, as an addition to this appendix. They were originally submitted in August/September of 1996, but were not inserted into the permit binders, therefore we are resubmitting the information.

We appreciate your willingness to insert these copies into the permit binders.

Should you have any questions, please contact me. Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Vicky S. Bailey".
