RE: Draft Copy of Technical Analysis in File, Dugout Canyon Mine, PRO/007/039, Folder 2

The "draft" copy of the technical analysis, Round II Permit Application, dated September 30, 1997, by Susan White is in the file to provide documentation that a copy of same was provided to Vicky Bailey of Earthfax Engineering Inc. Draft copies of documents are not normally included in the file, but an exception was made in this instance.
