Dear Pam:

As directed, accompanying this letter are the original, now 3-hole punched copies of the Notices of Change of Ownership and Control Information previously filed with your office on September 1 and 2, 1998, together with the copies of the Form C1 and C2 cover sheets and the additional 3-hole punched copies of these Notices you requested. These Notices are being submitted at the direction and on behalf of Canyon Fuel Company, LLC as the result of a change in the ownership of a 65% membership interest in Canyon Fuel Company, LLC, effective June 1, 1998. The change in ownership did not result in a name change for Canyon Fuel, which will remain the permittee of the mines, nor will Canyon Fuel's permits be transferred to another entity.

Very truly yours,

David K. Detton
