RE: Attachment A of the Dugout Canyon Mine M&RP

To Whom it May Concern:

Canyon Fuel Company is submitting this response to Attachment A of the approved Dugout Canyon Mine M&RP. As discussed in our meeting with Joe Helfrich, Daron Haddock, and Stephen Demczak of the Division on May 29, 1998, this submittal is intended to be an attachment to the existing permit. Many of the Attachment A stipulations were addressed in the Phase II M&RP revision submittal on April 30, 1998. Therefore, in some cases pages of the Phase II submittal were copied and have been included with this document. It is Canyon Fuel Company's intent that the final submittal of the Phase II M&RP will incorporate all of the Attachment A stipulations into the permit text. Thus, when Phase II is approved, this Attachment A Stipulation submittal will be obsolete.

If you have any questions regarding this submittal, please contact either Mr. Ken Payne at (435) 636-2880 or me at (435) 448-2669.
