## Public Notice

Canyon Fuel Company, LLC has filed a significant revision to the Dugout Canyon Mine approved Mining Reclamation Plan No. ACT / 007 / 039 with the State of Utah, Department of Natural Resources, Division of Oil, Gas and Mining. The Dugout Canyon Mine will be located in Dugout Canyon approximately 13 miles north east of Wellington, Utah. The Dugout Canyon Mine will be accessed from a county road that connects to the Nine Mile Road approximately 4 miles north of Wellington, Utah.

A portion of the mine facility and topsoil storage area would be located within 100 feet of the Carbon County public road. There are no plans to relocate or close the public road. The mine facilities will not interfere with public use of the county road.

At the conclusion of all mining activities, all surface facilities will be removed and the area regraded to approximate original contour. The disturbed area will be revegetated to promote successful growth as per the approved reclamation plan. The postmining use of the land will return to its current use as wildlife habitat, livestock grazing and recreational activities.
