RE: Permit Revision to the Dugout Canyon Mine M&RP, ACT/007/039 to include the Expanded Topsoil Storage Area at Soldier Canyon Mine

Dear Daron:

Please find attached to this letter a copy of modified M&RP text and new appendix that address the location and design of an expanded topsoil storage area for Dugout Canyon Mine soils at the Soldier Canyon Mine topsoil storage site. This expansion of the soil storage site is necessary since more topsoil has been removed from the Dugout Canyon Mine site than originally anticipated. Also, the expanded storage area will accommodate soils removed from the Dugout Canyon Mine site during construction of Phase II. A copy of the modified M&RP text with redline/strike-through markings has been provided along with five copies of unmarked text. A similar submittal is being made to modify the Soldier Canyon M&RP to allow for the expansion.

We appreciate your help with this matter. If you have any questions regarding this submittal, please call me at (435) 448-2669.
