Re: Permit Modification - BLM Right-of-Way UTU-77985
Dugout Canyon Mine, ACT/007/039 *Am OOA*

Dear Mr. Haddock:

I have enclosed five copies of the BLM Right-of-Way UTU-77985 for incorporation into Appendix 1-3 of our M&RP (Surface Lease Documents). This right-of-way has been granted by the BLM for the construction of a pipeline and leach field to process wastewater from the Dugout Canyon Mine.

Please be aware that incorporation of this right-of-way document into the M&RP is intended to be an information update only. A permit amendment regarding this proposed facility expansion is currently being prepared. Any expansion of the Dugout surface facilities will only proceed following the Division's review and approval of said amendment.

Should you have any questions concerning this submittal, please contact Dave Spillman (435-636-2872) or Chris Hansen (435-448-2669).

Sincerely,
SOLDIER / DUGOUT CANYON MINES
