Re: Approved Amendments for Incorporation, Canyon Fuel Company, LLC., Dugout Canyon Mine, ACT/007/039, Outgoing Folder

Dear Mr. Pick:

During the recent review of the Dugout Canyon Federal Lease we became aware that some amendments that had previously been approved, had not gotten incorporated into your Mining and Reclamation Plan. They are, 1) Amendment 99A; Proposal to Allow Longwall Mining and 2) Amendment 99E; Drainage Control Improvement. Amendment 99A was approved on May 21, 1999 and Amendment 99E was approved on August 20, 1999. We have enclosed stamped incorporated copies of the amendments for incorporation into you Mining & Reclamation Plan. We apologize for the delay in getting these to you and hope it has not caused too much inconvenience.

Please call if you have any questions..

Sincerely,
