Re: Revised Sewer Pipeline Blasting Plan for the Dugout Canyon Mine M&RP, Carbon County, Utah, ACT/007/039.

Dear Ms. Grubaugh-Littig:

Enclosed with this letter are the C1 and C2 forms and five copies of a permit modification application to Dugout Canyon Mine's M&RP. Three copies of pages with the modified text denoted with "redline/strikeout" marks are included. This revised plan is being submitted to address the deficiencies found during the technical review. The issues addressed in the submittal include 1) a signed blasting plan, 2) blasting schedule, 3) pre-blast survey of the power transmission line, 4) location reference to dwelling, school, etc. and underground active and abandoned coalmines, 5) additional warning signs, and 6) warning signs and access control.

Your quick approval of this plan is appreciated.

If you have any questions regarding this submittal, please call Gary Taylor at (435)448-2620.

Sincerely,

Gary E. Taylor
